### GAS MAINS ARE TO BE EXTENDED IN THE SPRING

The Utah Power & Light company is completing its new gas main on Twenty-first street to Quincy avenue. The work will be finished within the next few days. The further placing of mains in the city will be suspended until the spring of the year when the frost is out of the ground. Manager P. M. Parry states that as soon as spring opens the gas main extension work again will be taken up and the entire year devoted to the improvement. The company's gas plant has a capacity of a little more than 400,000 cubic feet of gas.

When the extensions are completed over the city, there will be a four-inch main over all the avenues, which run north and south, and over all the streets, which run east and west.

Knights of Pythias Dance tonight. 50c per couple, extra lady, 25c.

### ICE FORMING ON THE PONDS OF LOCAL ICE COMPANIES

Samuel Thomas, manager of the Ogden Ice company, reports over four inches of ice on his ponds and in all likelihood the cutting of ice will begin the first week in January. He says that the ice should be from ten to twelve inches thick before cutting and that it will require only a few days' time to reach that thickness, if freezing continues. The temperature last night reached a point as high as 40 degrees above zero, but it had no material effect on the ice ponds. Mr. Thomas puts up about 7000 tons of ice in a season and he expects to store that much, or more, this season.

### POISON FOUND IN THE STOMACH OF THE DEAD MAN

Last evening county physician Dr. A. A. Robinson reported to the sheriff's office, that he had made a careful chemical test of the stomach of A. E. Ashby, whose body was found in a pond of water a short time ago on Fortieth street near Washington avenue, and that he had discovered quite a large quantity of chloral-hydrate poisoning, the test having been made voluntarily by the physician.

It is explained that chloral is used frequently as an opiate, but that its effects are sometimes fatal when used in large quantities. It is employed by criminals to cause the stupor of victims they wish to rob, the intention not being to cause death. Just how the poison was administered or by whom, is rather mysterious and it is possible that it will never be known. Ashby may have used it as an opiate, or he may have taken it with suicidal intent. It is also possible that he was drugged by other persons for the purpose of robbing him. In either event it is a matter of considerable conjecture how he finally died in the small pond.

The description of the man F. A. Donahue who registered at the Colonial rooming house on Twenty-fourth street, December 11, is not that of the body of the man at the morgue.

There seems to be no reason for doubt as to the identity of the man as being A. E. Ashby, but deputy sheriff J. L. Hobson states that he expects a letter from the man's brother, R. G. Ashby, in the course of the next day or two which will give more detailed description of the man, and explain more fully where he has been and what he had been doing just prior to his death.

The county commissioners explain that they were not opposed to having a chemical test made of the stomach of the dead man, but objected to being held up for \$150 by the state chemist when an analysis should not call for an outlay of to exceed \$25. The county physician volunteered the chemical test.

### ROAD CONSTRUCTION CONTINUES IN THE COUNTY

Road-building operations in Weber county are being carried on, but the work is confined at this time to the Marriott road, where a gravel surface is being placed. The county road commissioner, Ralph Corlew, states that the Marriott people preferred the gravel surface, while those of other sections wanted the macadam road. In the Marriott districts there is a large gravel bed from which the material for topping the road can be taken with little expense and it can be placed on the road in the winter season as well as in the summer time.

County commissioner Moroni Skeen states that road construction in other parts of the county will begin next month, the first to be on the Harrisville road. In that district macadam will be used for surfacing the highway and it is expected that the rock crushed will again be brought into use. There is a possibility of using shale from near Idlewild in Ogden canyon.

### HORSES AND WAGON STRUCK BY AN ELECTRIC CAR

A near-tragedy occurred this morning at the Twenty-fourth street and Lincoln avenue intersection, when the 8 o'clock amperger electric car struck a delivery outfit belonging to the Thomas Farr Grain & Seed company. A team of horses, attached to the wagon, and the driver, John Voglesong, a 20-year-old youth, residing at 481 Twenty-eighth street, was thrown to the pavement. Voglesong alighted with his right leg under one of the horses, but fortunately escaped with only a sprained ankle and minor bruises.

Voglesong was driving westward on Twenty-fourth street and did not become aware of the approaching interurban car until it was within a few feet of his outfit. He made a desperate effort to check his horses but was too late and the car struck the animals and the right front wheel of the wagon. The driver was thrown under the horses and the delivery wagon was shoved the remaining distance over the crossing, the off wheel being forced off and the wagon otherwise damaged.

Aside from scratches, the horses were not injured and Voglesong was more frightened by his narrow escape than hurt through his fall. The front windows of the electric car were broken, the damage being estimated at \$12, and \$50 was the estimated damage to the wagon.

### DOCTOR BREAWS LEG IN SCUFFLE WITH AN OFFICER

Dr. W. J. Browning of Roosevelt, Utah, son of Postmaster W. W. Browning, is confined to his home with a broken leg. The injury was received by the former Ogden physician a couple of days ago in a friendly scuffle with the sheriff of Duchesne county.

In a letter to his father, apprising him of the accident, Dr. Browning stated that the only fortunate thing connected with it, was the fact that he received an accident insurance policy the day after it occurred, which had been in effect six days.

### MUNICIPAL TREE IS TO BE LIGHTED ON CHRISTMAS EVE

At a special meeting last night of members of the Weber club and prominent local club women, with City Commissioner Chris Flygare, in the commissioner's office, plans were formulated for a municipal Christmas tree. Mrs. Edward Bichsel was elected chairman of the meeting and named the following committees to carry out the plans decided upon.

Decorations, Fire Chief A. B. Canfield, Mrs. R. B. Porter, Mrs. E. I. Rich and J. D. Larson.

Music, Mrs. P. W. Knisely, Mrs. I. L. Reynolds and Mrs. Archie Bowman.

Arrangements, Commissioner and Mrs. Chris Flygare, Mrs. Bichsel and Mrs. George Matson.

Though the meeting was held somewhat late, the committees anticipate little trouble in arranging for a tree and accessories to make the "kid dies" happy, to an extent equal to that of last year. The tree will be lighted between the hours of 6:30 and 7:30, on Christmas eve.

A band concert will be given by the Ogden City band followed by a number of vocal selections to be given under the direction of Professor Joseph Ballantyne. The program arranged is a delightful one.

### SCANDINAVIANS ARE TO OBSERVE THE GREAT DAY

Saturday is to be observed by the Scandinavians of Weber county by a Christmas celebration in the Seventh ward chapel on Thirteenth street, beginning at 10 o'clock that morning.

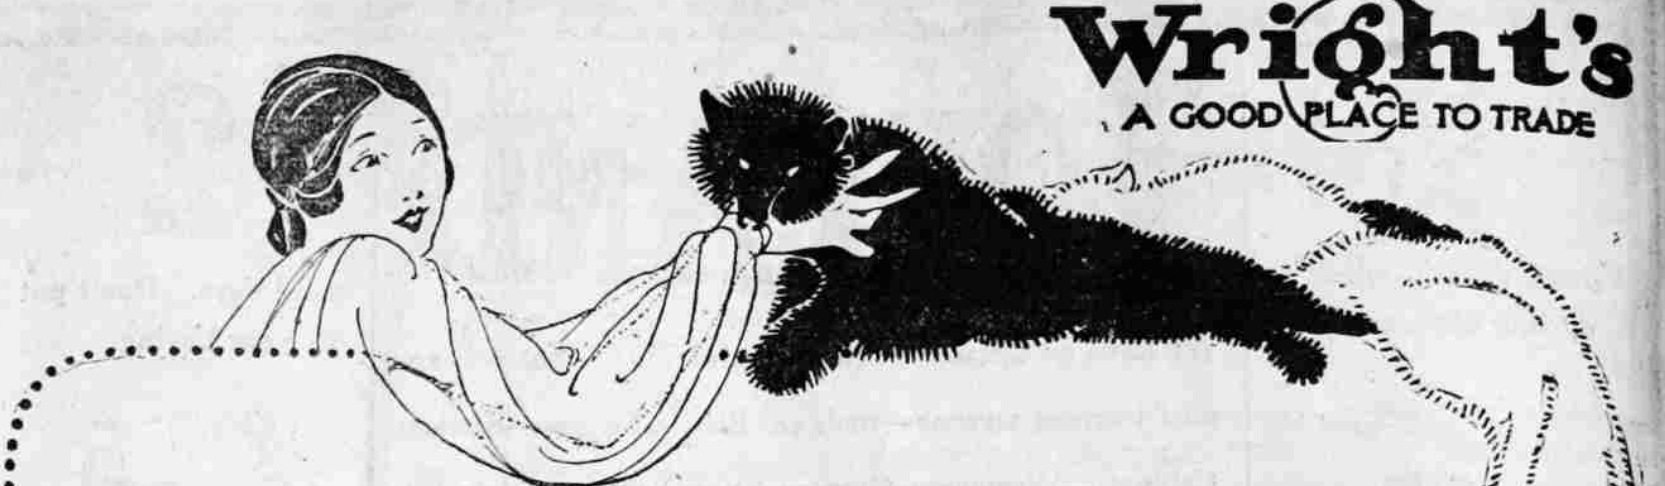

There will be Christmas selections by the choir and a violin solo by Albert Erickson. P. Anderson will be the speaker.

All Scandinavians of the county are invited to be present.

### PROCEEDINGS IN THE POLICE COURT

The case of the City vs. J. D. Terry and George Clark, which was continued from yesterday, was dismissed this morning in the municipal court on motion of Assistant City Attorney Baumunk, who deemed there was no cause for action against the defendants. Jack Hardy, who was a co-defendant in the case, forfeited \$10 bail yesterday and it was alleged, according to investigation, that he and his brother, Ed. Hardy were responsible for the trouble that brought Terry and Clark into court.

Terry, however, was fined \$5 on another count, he having been mixed up in another affair on Monday night, with a Japanese named J. Teama. The two were arrested on lower Twenty-fifth street on a charge of disturbing the peace by fighting, but the evidence when simmered down was to the ef-

A GOOD PLACE TO TRADE

## Tomorrow's Program

Store opens at 9 a. m. with full force of salespeople here ready to serve you. Fresh displays all through the store of Christmas Stocks—making your shopping just as easy as possible. Customers will find it greatly to their advantage to shop before noon.

## The Hourly Sales Again Tomorrow

That same big list of hourly attractions which attracted so many buyers today, will be in progress all day tomorrow. The lists are prominently posted all through the store. This list was published in this paper last night. The savings are really remarkable—and filled with gift suggestions.

## THE SALE OF FURS

The Sale of Furs continues tomorrow and Friday—the offering is without a doubt the greatest in Ogden, and the values are very attractive. The prices are as low now as they will be in January or at any time of the year. And most important is our guarantee that every fur is genuine and without flaw.

## Cut Glass and Silver

The sale of cut glass and silverware continues tomorrow and Friday with the stocks just as full as at first. These lines are arranged in a special department where you may see the entire offering at a glance. Our prices for Community Silver, Rogers 1847, and William Rogers' Silver are the lowest you'll find—and we will not deceive you as to the genuineness of the makers. Beware of dealers who do not clearly specify whether the silver they offer as "Rogers" is 1847 or not. Hundreds of pieces of rich cut glass are ready at decided savings.

### WORLD'S MARKETS

New York, Dec. 22.—Such stocks as American Smelting, Mexican Petroleum and Metal and war shares continued to monopolize speculative attention on the resumption of trading today, while rails and similar investment issues were again neglected. Smelting soon rose to 106 1/4, an overnight gain of 1 1/2 and within a fraction of its highest price since 1908.

Copper stocks were stimulated by the rise in smelting, as well as the price of the metal and Mercantile Marine preferred, Texas company and a few specialties also responded to a moderate demand. There was further active buying of the Anglo-French bonds.

London, Dec. 22, 11 a. m.—The membership committee of the stock exchange adopted the following rule today:

"A candidate of German or Austro-Hungarian birth is ineligible to membership."

This rule is subject to confirmation by the stock exchange at a meeting next Wednesday.

Sugar.  
New York, Dec. 22.—Raw sugar, firm; centrifugal, 4.85c; molasses, 4.12c; refined, quiet.

Sugar futures irregular. At noon prices ranged from 2 points higher to 20 lower.

Omaha Livestock.  
Omaha, Neb., Dec. 22.—Cattle—Receipts 20,000; steady. Native steers, \$5.75@5.25; cows and heifers, \$5.25@6.75; western steers, \$6.00@7.50; Texas steers, \$5.75@6.75; stockers and feeders, \$5.50@7.00.

Hogs—Receipts 18,000; lower. Heavy, \$5.20@6.35; light, \$6.10@6.30; pigs, \$5.25@6.25; bulk, \$6.20@6.30.

Chicago, Dec. 22.—Wheat No. 2 red \$1.23 1/2 @ 1.25; No. 3 red \$1.16 @ 1.20; No. 2 hard \$1.22 1/2 @ 1.23 7/8; No. 3 hard \$1.17 @ 1.20 1/4.

Corn No. 2 yellow nominal; No. 4 yellow 68 @ 69 1/2c; No. 4 white 67 @ 68 1/4c.

Oats No. 3 white 41 @ 42 1/2c; standard 43 3/4c.

Rye No. 2 nominal; No. 3 85 @ 92c. Barley 61 @ 70c.

Timothy \$5.00 @ 7.75. Clover \$10.00 @ 19.00. Pork \$16.05.

Lard \$9.52. Ribs \$9.75 @ 10.25.

Chicago Hog Market.  
Chicago, Dec. 22.—Big receipts today pulled hog prices down. General demand for beef seemed to have lost its edge, poultry temporarily being more favored, but the packers seemed to want medium grades. There was no

### Deaths and Funerals

OPPMAN—The funeral of Mrs. Rose Oppman, wife of Benjamin Oppman, was held yesterday in the Kirkendall chapel, with Rev. William Rice, rabbi of Bnai Israel temple at Salt Lake City, officiating. The service was attended by the members of Queen Esther chapter No. 4, Order of the Eastern Star, and Queen City Rebekah lodge No. 4, in a body. The ritual service of the former was given at the chapel and that of the latter at the grave. Interment was in the Mountain View cemetery.

SCHMALZ—The funeral of Elliott, the infant son of Mr. and Mrs. Christian Schmalz was held yesterday afternoon in the Lindquist chapel, with Rev. W. W. Fleetwood officiating. John and William Stephens sang "Light at Eventide" and John Stephens sang "My Loved One, Rest." The chapel was filled with friends and relatives of the bereaved family and many floral offerings were laid on the bier of the dead baby. Interment was in the city cemetery, the grave being dedicated by Rev. Fleetwood.

THOMPSON—Funeral services for William Thompson were held in the Kirkendall chapel yesterday afternoon. The prayers and funeral sermon were spoken by Rev. J. E. Carver and A. H. Sander sang "I Need Thee Every Hour" and "Lead, Kindly Light." Interment was in the city cemetery.

HUMOR DEFINED.  
Green—What is a sense of humor? Brown—A sense of humor is that which makes you laugh at something that happens to somebody else which would make you angry if it happened to you!
